AGREEMENT FOR TEAM PARTICIPATION

[Including Waivers and Releases of Potential Claims and Statement of Other Obligations]

Name of Student	Address:
Grade:	DOB:
School:	Telephone:
Team:	

In Consideration for the Student's ability to participate in the Team [including any Sport, Cheerleading, Dance, or Marching Band], including try outs for the Team, participation in Team practices or training sessions, receiving coaching, training, and direction, participating in Team events, shows, performances, and competitions, and traveling to and from any of the foregoing activities ("Team Activities"), the Student and the Parent or Legal Guardian ("Adult") signing this Agreement agree as follows:

1. It is a privilege, not a right, to participate in extra-curricular activities, including Team Activities. The privilege may be revoked at any time, for any reason, that does not violate Federal, State or District laws, policies or procedures. There is no guaranty that the Student will make the Team, remain on the Team, or actively participate in Team events, shows, performances, or competitions. Such matters shall remain exclusively within the judgment and discretion of the District and its employees.

2. The Student and the Adult understand the nature of the Team, including the inherent or potential risks of Team Activities. The Student is in sufficiently good health and physical condition to participate in Team Activities, and voluntarily wishes to participate in Team Activities. Before participating in a Team Activity, a medical clearance shall be submitted (valid for one calendar year), signed by a medical doctor (nurse practitioners, chiropractors or other non-California licensed medical doctors are not acceptable), stating that the Student has been physically examined and is deemed to be in sufficiently good health and fitness so that the Student may fully participate in Team Activities.

3. Education Code Section 32221.5 requires us to notify you that **"Under state law, school districts are required to ensure that all members of school athletic teams have accidental injury insurance that covers medical and hospital expenses. This insurance requirement can be met by the school district offering insurance or other health benefits that cover medical and hospital expenses. Some pupils may qualify to enroll in no-cost or low-cost local, state, or federally sponsored health insurance programs. Information about these programs may be obtained by calling the Healthy Families Information line at 800-880-5305 or Cover the Kids at 866-850-4321.**

Education Code Section 32221 requires that such insurance cover medical and hospital expenses resulting from bodily injuries in one of the following amounts: (a) a group or individual medical plan with accident benefits of at least \$200 for each occurrence and major medical coverage of at least \$10,000, with no more than \$100 deductible and no less than 80% payable for each occurrence; (b) group or individual medical plans which are certified by the Insurance Commissioner to be equivalent to the required coverage of at least \$1,500; or (c) at least \$1,500 for all such medical and hospital expenses. You may meet this obligation in one of two ways:

Option 1: Private medical insurance. If this option is selected please provide the name of the insurance company _____ and the policy number _____ list coverage dates or "continuous"). By signing below, the Adult certifies that the Student is presently covered, and will remain covered during the length of the Team Season, under the Policy and that the Policy complies with Section 32221.

Option 2: Purchase insurance meeting the requirements of Section 32221, for the period during which the Student is participating in the Team, through a coverage provider made available through the District (contact Risk Management at 971-7756 for additional information). If you are financially unable to pay for such insurance contact Risk Management at 971-7756 to see if a payment waiver is available. If this option is selected, it remains the obligation of the Student and Adult to ensure that such coverage is actually purchased; the District assumes no liability or obligation arising from any actual or alleged failure timely to assist or obtain such coverage for the Student.

4. The Student shall comply with the instruction and directions of Team Activity teachers, coaches, supervisors, chaperones, and instructors. During the Student's participation in Team Activities, as well as academic and/or other school activities, the Student shall comply with all applicable Codes of Conduct. The Student shall also generally conduct himself/herself at all times in keeping with the highest moral and ethical standards so as to reflect positively on himself/herself, the Team and the District. Failure to meet these obligations may, in the discretion of the District, result in immediate removal from Team Activities and a prohibition against any future involvement in Team Activities or other extra-curricular activities. Should the violation of these obligations also result in bodily injury or property damage during a Team Activity, the Adult will (a) pay to restore or replace any property damaged as a result of the Student's violation, (b) pay any damages caused to bodily injury to an individual, and (c) defend, protect and hold the District harmless from such property damage or bodily injury claims.
